On July 5th, I had the pleasure of discussing an incredibly important topic: publishing scams and the ways in which writers can safeguard themselves from these pitfalls. Although our gathering was intimate, the passion and engagement were palpable, and I'm delighted to say that everyone walked away equipped with valuable insights that can truly make a difference in their writing journeys. I invite you to join us in this conversation by watching the talk on my YouTube channel at <https://www.youtube.com/@authorjenniferwestecott>. Together, let's empower ourselves as a community of writers, ensuring that we navigate the literary world with confidence and knowledge. Your voice matters, and I encourage you to connect with Westecott Romance Novels on social media for ongoing support and engagement as we continue to champion the art of storytelling.
